Outline of TII Publications

TII Publications is an online suite of technical documentation relating to National Road, Greenway and Light Rail schemes.

TII Publications are categorised as Standards or Technical. All documentation for implementation on National Road and Greenway schemes is collectively referred to as TII Publications (Standards), and all other documentation within the system is collectively referred to as TII Publications (Technical).

Visit [Who We Are](#) for information on the TII Publications system.

For further information on TII Publications, please refer to Introduction to the TII Publications System, [GE-INT-01029](#)
